

# Nabeel's Journey: Discussion Questions

## 25. Holy Saturday and Evangelism

- Do you make it a point to follow the liturgical calendar?
  - Has Holy Saturday held any specific significance for you?
  - Do you think that the angels and demons knew Jesus was going to be resurrected?
- Do you prefer Easter or Christmas? Why so?
- Did you notice that almost every time that Nabeel points out his grim life expectancy statistics, he always follows it with “according to the doctors”?
  - Does this seem like an act of faith or an act of denial?
- Should we be willing to push our evangelism?
  - Is it wrong when people are aggressive with their outreach?
  - Is there anyone that you feel led to share the gospel with, but you hesitate or put it off?
  - Are you using any excuses that you are ready to present to God?
