

Nabeel's Journey: Discussion Questions

38. Hospital Day 19

- Nabeel finds himself with a stint placed above his stomach so that he can eat. Once it is dislodged he is in excruciating pain and cannot get relief. Given all of the trials that he has faced could you blame him if he started to question God's goodness and love for him?
- During this ordeal Nabeel experienced something akin to an out-of-body experience. Do you think that this is something that humans were designed with to allow us to cope with extreme situations?
- Do you believe that Nabeel was being ministered to by angels?
