

Nabeel's Journey: Discussion Questions

12. My Visit to Bethel Church

- Do you connect with Nabeel's mountain/God analogy?
 - Have you ever felt that growing closer to God can lead to less personal comfort and risk?
- What do you think about the Bethel Church controversy?
 - Do you think some Christians become overzealous in hunting down possible heresies?
- Do you think charismatic churches are more or less vulnerable to heresies?
- Is Nabeel approaching the situation of Bethel Church in a balanced and God honoring way?
- As a minister is Nabeel's ability to make a determination about Bethel biased?
- Do you see yourself as the kind of person who expects God to work supernaturally in our everyday life, or you you expect to see the natural day after day.
- Is the concept of only "giving encouraging prophecies" scriptural?
 - Would you be comfortable in that conversation?
