

Nabeel's Journey: Discussion Questions

9. Thanksgiving

- Have you ever seen God opening doors in your life through your struggles?
- Do you forget to thank God during the trials?
- Have you ever thought your ministry was failing, when in fact, God is directing you to a new ministry? Do Not Despise Prophetic Utterances
- 1 Thessalonians 5:19-22
- What are your thoughts about modern-day prophets?
- Do you think you have an anti-supernatural bias in your worldview?
- If you had been told Satan had attacked you through your spine:
 - Would you take the message seriously?
 - Would you follow-up with a professional about it?
- Do you feel that Nabeel followed the instruction of 1 Thessalonians 5:19-22?
- Do you believe, as Nabeel does, that the prophetic utterances, meeting the woman in the parking lot, finding the C1 and T5 misaligned, and the mentor's knowledge of the misalignment link to stomach cancer are all supernaturally connected?
 - Might it more likely that this was a coincidence?
