

Nabeel's Journey: Discussion Questions

20. The Trails of Radiation

- Do you ever take a moment to consider your perspective on life in general?
 - If you do, are you pleased with the results?
 - If not, why not?
- When you are going through a trial, do you struggle with bitterness?
- Do you think that Nabeel is right when he says our days are filled with “daily miracles” such as walking, site, being able to drive, etc.?
- Nabeel makes a list of many things in his life that he is grateful for. Do you think that helps him to keep his situation in perspective?
